

## Art

<http://www.pacificu.edu/as/art>

All art classes satisfy the Arts Core Requirement.

Art Major/Minor students are encouraged to take a variety of courses from different art department instructors. By the junior year, students are expected to begin taking 300-level studio-courses. Seniors must take ARTST 497 Senior Seminar/Studio Production in the fall of the Senior year, and ARTST 498 (Senior Show) in the spring of the Senior year. All students must maintain a 3.0 average with no class below a C- in the major.

If you have any questions about art classes and/or requirements, please contact an Art Department faculty member – Jim Flory, Terry O’Day, Jan Shield, or Patricia Cheyne.
