Immunization Information:

- MMR (Measles/Mumps/Rubella) vaccine. **Required** before entering Pacific University and the School of Physical Therapy. Series of two.

Immunization **Required** before attending Clinical rotation:

- Td/Tdap – Tetanus-Diphtheria-Pertussis.
- TB (tuberculosis) skin test.
- Hepatitis B virus (HBV) vaccine. Series of three and Titer.
  (Given in three doses; the second dose is given one month after the initial injection and the third is given six months after the first.)
- Varicella (Chickenpox) vaccine. Series of two.
- Hepatitis A virus (HAV) vaccine. Series of two.

Note: If it is unknown if you have had any of the vaccine's above, Titer tests can be taken to determine if you need to proceed with the vaccine.
