IN 1983 WE INVITED 110 DOCTORS to the brand new resort area of Wailea on the Island of Maui for the inaugural "Fun in the Sun Conference." Over the years, the meeting evolved to become the Pacific University Island Eyes Conference, a week-long meeting attracting optometric physicians from throughout the United States and Canada. The meeting moves to different resorts throughout the Hawaiian Islands, offering excellent education and new experiences each year.

The 2016 Island Eyes Conference is the 34th annual meeting and it returns to Maui, the "Magic Isle" and the second largest island in the Hawaiian chain. This island is home to Haleakala, Maui's highest peak, where you can see some of the most magnificent sunrises and sunsets. Take a day trip to Upcountry Maui to see fabulous botanical gardens and farms and ranches that produce fresh farm-to-table ingredients for Maui's finest restaurants. Maui boasts some of the best whale watching tours and snorkel cruises. Our schedule for this classic winter conference starts with our lavish Welcome Reception on Sunday, daily continental breakfast for those registered for the education, morning classes and afternoons and evenings free. No classes are scheduled on Thursday, giving you a full day to explore Maui with friends and family. We'll host a golf outing on Wednesday, followed by Happy Hour hosted by the College of Optometry Deans.

Those registered for the educational program can earn up to 29 hours of COPE approved continuing education. Our Island Eyes faculty include premier educators and clinicians: Samuel Kim, OD, MBA; Stanley Teplick, MD; Denise Goodwin, OD; Leonid Skorin, OD, DO; Nathan Lighthizer, OD; Michelle Hoff, OD; Cathy Evans, ABOC, FNAO; Loretta Ng, OD; Ana Juricic, OD; Carole Timpone, OD; and Fraser Horn, OD.

The Sheraton Maui Resort is a spectacular oceanfront resort located on Ka'anapali Beach and next to Black Rock, a rocky peninsula and popular snorkeling spot. This full service resort features an evening torch lighting and cliff diving ceremony with complimentary evening entertainment. The Ka'anapali Beach boardwalk leads to Whaler's Village where you can enjoy a collection of restaurants and upscale shops. Two championship golf courses are also available in the Ka'anapali resort area. Shuttles are available to transport you to historic Lahaina Town.
