

UNIVERSITY TECHNOLOGY COMMITTEE MEETING

Thursday - Feb. 28, 2008

- I. Assessment (Emily/Heide)
 - i. Changed wording to question: 19 for all three worksheets
 - ii. Added an additional question to reflect two specific needs for residence halls on the student worksheet, now as #s: 16 and 17
 - iii. Changed number 4 to staff to reflect the same wording for students and faculty
 - iv. Bill requested that we include on the final draft formal qualitative section for comments at the bottom of each worksheet
 - v. Will move the survey forward to Will O'Shea

- II. Handbook Language (Emily)
 - i. Formal vote to approve the student representatives (Joel Lampert at SPP already moving on electing someone from PCC).
 - ii. Unanimous vote to approve language

- III. Office of Communications/Webmaster (Emily/Mark)

- IV. PUCC
 - i. Refer PUCC student technology forum to UIS

- V. Emerging Technologies Roundtable (Lee)
 - i. *inPerson* conferencing (demonstrated by Lee via camera)
 - ii. Sansonic Electronics
 - iii. Neo-Flex Mobile Work-space from Ergotron (for small classrooms)
 - iv. Software Upgrades (Apple Leopard and Microsoft's vista)
 - v. Malware and Spyware Updates for the Pacific Community
