2020-2021 ACADEMIC TERM DATES		
SUMMER SEMESTER 2020		
<p>The Summer 2020 semester schedule has been modified in response to the online education and physical distancing mandates to ensure compliance with COVID-19 directives. Since it is not known when we will be able to return face-to-face for labs and clinics, we have shifted to a block curriculum for the summer with lectures from weeks 1-7 and 8-14 and labs weeks 8-14. To provide maximum direct patient care opportunities, most clinics will be postponed to the Fall and Spring semesters.</p>
