

Meadowcroft Endowed Scholarship in Optometry

This Fund was established in the winter of 2005 to honor the memory of Dr. Warren Meadowcroft by his family and friends. Dr. Meadowcroft was a 1964 graduate of Pacific's College of Optometry and practiced in the Sunnyside and Yakima areas of Washington State.

Eligibility: All 3rd and 4th year Optometry students

Purpose of Scholarship: To support a 3rd or 4th year Optometry student who shows proficient academic performance (minimum 3.25 gpa) and expresses intentions to establish a professional practice in rural areas of Oregon, Washington or Idaho.

How to apply: Submit a 500-word essay to the Dr. James Kundart (kundart@pacificu.edu), Research and Awards Committee Chair, outlining your practice goals.

Application Deadline: February 26, 2021

Form of Award: \$1,000.00 financial aid. Recipient selected during spring term and notified at one of the spring awards ceremonies.
