Subject: Alaska FT PT position at Willow Physical Therapy

Hi Erin,

I got your email address from Rebecca Wilbur, my sister in law. I am a PT and own a private practice in Fairbanks, AK. Rebecca said you would be willing to spread the word about a position I am hiring for. I would like to hire a Full Time PT however would consider someone wanting to travel up here for the summer as I am pregnant with my 2nd child and due May 30th, so trying to get some coverage for while I am on leave. I have one other FT PT who works with me here. Below is more information on the position we have. This is posted on APTA's Red Hot jobs site so anyone interested can go there for more info as well as our website to check out the clinic.

Willow Physical Therapy is a physical therapist owned outpatient clinic that sees primarily orthopedic conditions. We also offer treatment for TMD, Pelvic Floor Dysfunction, and Vestibular Rehabilitation. We treat a fun variety of diagnoses. We are looking for someone with a team oriented approach who is interested in continued education. Patients are always seen one on one with a PT and are scheduled every 30 minutes, or up to 60 minutes depending on patient need, at therapist's discretion. Ample time for charting is provided and we strive to create a stress free environment. Our Senior PT and Financial Director have been with the company for over 20 years, Front Office Manager for 17 years, and this stability provides for a good environment to not only work in but allows for growth and learning within your own practice. Mentoring opportunity is available for the right person interested in Women's Health. Please feel free to visit our website ([www.willowpt.com](http://www.willowpt.com)<<http://www.willowpt.com>> ) and contact us for further information. We recently relocated to a brand new facility in April 2014.

I appreciate you taking the time to read this email and will welcome any help.

Thank you!

Aisha
