

KAISER PERMANENTE
NORTHERN CALIFORNIA
Graduate Physical
Therapy Education

Do you have students interested in specialized training in orthopaedic manual therapy? Joining the KP Nor Cal Graduate PT Education learning community means unparalleled one-on-one mentoring, being immersed in an innovative clinical environment and working alongside the profession's top faculty. We are committed to guiding clinicians along the path to clinical excellence and transforming them into tomorrow's leaders.

We are now accepting applications for our fall 2018 programs and would like your help identifying strong candidates.

Can you please send contact information to me for PTs, including new grads, who have expressed interest in post-graduate education?
