

5.3.17

My name is Molly Caneday, I'm the Director of Strategic Development for SpineNevada Minimally Invasive Spine Institute. We have an excellent opportunity for two licensed Physical therapists to join our center of excellence in 2017. Can you please forward this email and detail to the appropriate department? Interested Physical therapists can contact me directly about the opportunity for additional information.

SpineNevada is a multi-disciplinary center in Northern Nevada with multiple locations in Reno, Sparks and Carson City. We are looking to add two full-time licensed physical therapists to our Physical Therapy team, the hours are Monday through Friday 8a - 5p. SpineNevada's center of excellence combines the expertise of spine neurosurgeons, physical medicine MDs and physical therapists all under one roof. The ideal candidate will emphasize an exercise-oriented approach to helping those with spine and musculoskeletal pain recover from symptoms and return to activity. Physical Therapists will have access to the spine surgeons and non-surgical spine and musculoskeletal specialists to develop ideal treatment plans. The position has great job security and above average compensation and benefits. The best part of the position is that you would be working in a multi-disciplinary, highly collaborative center environment with Physical Medicine MDs and spine surgeons all under one roof. The spine center has internal injection suites, exercise gyms, X-ray and MRI.

The physical therapy clinics are spacious, functional and equipped with top of the line therapy equipment including Inspire Fitness FT2 Trainers, CoreAlign and The Balance System.

SpineNevada has been recognized to the listing of Modern Healthcare's Best Places to Work in Healthcare for 2 consecutive years. Additionally, the company was awarded the Quantum Workplace Best Places to Work First Place recipient in 2017 and has been a finalist for four consecutive years.

Interested and qualified candidates, please send your CV to molly@spinenevada.com.

Thank you! Molly
