College of Health Professions Leadership and Accreditation 2015-2016

A new Director of the School of Physical Therapy was appointed effective July 31, 2016. Dr. Kevin Chui was selected following an exhaustive year-long national search. He came to us from Sacred Heart University in Fairfield, Conn., where he served as chair and physical therapy program director in the Department of Physical Therapy and Human Movement Sciences since 2014.

A new Interim Director of the School of Audiology was appointed effective July 1, 2016. Dr. Wendy Hanks, PhD, a faculty member in the School of Audiology was appointed when Dr. Victoria Keetay accepted a more senior administrative position at another academic institution.

The Doctor of Physical Therapy program in the School of Physical Therapy completed a successful accreditation review, with a site visit in October of 2015, and affirmation of accreditation (with reports) in May of 2016.

The Doctor of Psychology (PsyD) program in the School of Professional Psychology completed a successful accreditation review, with a site visit in November of 2015, and the awarding of a seven-year accreditation period in April of 2016.

Thirty-four Continuing Education events were held in 2015-2016, an increase of 9 events over the prior academic year. Revenue increased by 340% to \$53K as compared to the prior year. This program continues to mature in program content, marketing and reputation, and serves our alumni and professional colleagues well.

College of Health Professions Teaching Innovations 2015-2016

Nee, R. Initiated “flipped classroom” module for concepts related to clinical instability of the lumbar spine in DPT 632 Musculoskeletal Examination and Intervention for the Spine.

Norris, B. I led the search for an electronic health record system that we could incorporate into our school’s curriculum.

Norris, B. Incorporated artificial skins into suturing workshop that allowed PA students to practice more frequently and become more proficient in their suturing skills.

Pedemonte, M. Refined the pilot self-taught medical imaging course to be added to the existing modular based fall anatomy course work for cardiovascular, pulmonary and GI modules

Pelham-Foster, S. Fieldwork Management System Implementation for School of Occupational Therapy (January 2016).

Reisch, R. Re-formatted two courses in DPT curriculum (DPT 542 and DPT 595). Included components of “flipped classroom” and “blended learning” formats.

Reyna, J. Pacific Physical Therapy Clinic collaboration with The Psychology and Comprehensive Health Clinic. July 2015.

Rodríguez, M. (2015-2016). Interactive clinical practice cards for Dental Health Science.

Rodríguez, M., Rouyer, J. (2015-2016). Virtual patient prototype for Spanish language practice and assessment.

Rodríguez, M., Rouyer, J. (2015-2016). Fully online collaborative cultural project presentation.

Rodriguez, M., Rouyer, J., Dimmler, L. (2015-2016). Spanish Language Tutor online innovation.

Rogers, K. Used Adobe Connect videoconferencing software to integrate and deliver live lectures from remote site: Commander Joy Lee, Department of Health and Human Services, Overview of HHS and PHSC, Rockville, MD for HSC 440 Health Policy and Law.

Rogers, K. Used Adobe Connect videoconferencing software to integrate and deliver live lectures from remote site: Mya Yee Nandar, RN, Health System Experiences In Myanmar, for HSC405 Comparative Health Delivery Systems.

Rogers, S. Developed and delivered two hybrid courses to therapists in China as pilot courses.

Rogers, S., Dimmler, L. (2015-2016). Pediatrics specialty certification online program in China.

Schaid, L. Developed and delivered new CSD Foundations course – 1 week module. AUD565, March 2016.

Schaid, L. Developed and delivered new Topics in Audiology course – 6 week elongated module. AUD579, May-July 2016.

Shallcross, R. Developed a tele-education course in conjunction with La Universidad Latina de América (UNLA) in Morelia, Michoacán, Mexico taught Fall Term 2015 in the wired ITF classroom.

Stamper, B. Structured Reflective Journal Writing (PIE-RECAP).

Stamper, B. Pharmacogenomics elective.

Stamper, B. Infectious Disease Media Club elective.

Stamper, B. P1/P2 Integration Day.

Stamper, B. Macrominerals song on ThePharmSongs Vimeo channel.
