

Continuing Education Course

Review for WREB Restorative Examination

November 6-8, 2015

Course Description

This 20-hour continuing education course provides a review for candidates who are preparing to take the Western Regional Examining Board (WREB) Restorative Examination. This course includes 4 hours of didactic review of dental anatomy and restorative procedures, followed by 16 hours of hands-on practice placing amalgam and composite restorations on typodonts. Emphasis will be placed on developing self-assessment skills so that candidates can critically evaluate their own restorations.

WREB requires remediation after two (2) failures of the WREB Restorative Examination. This continuing education course includes the didactic and clinical remediation required by WREB, has been deemed as an acceptable remediation program by the Oregon Board of Dentistry, and is given by a school accredited by the Commission on Dental Accreditation (CODA)

This continuing education course is intended for review purposes only. It is not intended to fulfill the educational requirement for obtaining a Restorative Functions Endorsement (RFE) or Restorative Functions Certificate (RFC) in Oregon.

This course is recommended only for those hygienists who will be taking a WREB exam in 2015. Beginning in 2016 the WREB exam requires a different typodont. For hygienists who do not already have a Kilgore typodont in acceptable condition that can be used for this course, practice and the WREB exam, we strongly recommend waiting for a Restorative Review Course that uses the 2016 typodont.

Course Format

This continuing education course consists of 2 hours of self-study completed by the candidate prior to the first day of the course, 2 hours of didactic instruction 6:30 PM – 8:30 PM on a Friday evening, and 16 hours of hands-on practice placing amalgam and composite restorations on typodonts 8:00 AM – 5:00 PM on Saturday and Sunday. The total course time is 20 hours. Participants must attend all scheduled sessions and complete all requirements in order to receive a certificate of completion.

Course Coordinator

Kristen Thomas, RDH, BSDH is a full-time faculty member with the School of Dental Health Science at Pacific University.

Course Dates	Friday	November 6, 2015	6:30pm – 8:30pm
	Saturday	November 7, 2015	8:00am – 5:00pm
	Sunday	November 8, 2015	8:00am – 5:00pm

This continuing education course will be held approximately 4 weeks prior to the WREB Restorative Examination scheduled December 2015 at Portland Community College. For additional information or to register for this exam, visit [WREB](http://www.wreb.org).

Course Location

This course will be held at Pacific University, Health Professions Campus, 222 SE 8th Avenue, Hillsboro, OR 97123.

Course Fee

The course fee is **\$1,175.00** which includes lecture, lab instruction, use of restorative instruments (please bring your own if you have them), prepped typodont teeth, restorative materials and an extra set of gingiva and other materials. These materials will be issued to each participant at the beginning of the course. The materials issued to each participant should be sufficient to complete the course requirements as well as one WREB Restorative Examination. Breakfast and lunch on both Saturday and Sunday are included.

Attire

Wear scrubs on Saturday and Sunday. Friday evening session does not require scrubs, though you are welcome to wear them.

Class Size

Minimum class size is 4 participants. Maximum class size is 8 participants.

Cancellation

This course may be cancelled if fewer than 4 participants are enrolled by the registration deadline.

Refunds

Refunds are granted less \$25 administration fee up to and included October 30. Beginning October 31, no refunds will be granted.

Registration

Space is limited. Registration is accepted first come first serve. [Register online](#) and pay by credit or debit card. If you wish to pay by check, please contact [Lisa Downing](#) for address and to ensure a seat is available. Registration will close no later than October 30 or as soon as the course is full.
