Analyze a social problem that is of great concern to you and is relevant to the practice of social work. Share ideas you have for how the problem may be addressed or prevented, and the leadership role(s) you might take as a social worker addressing the problem.

2. Optional- State any additional pertinent information not evidenced elsewhere in your application that you think the Admissions Committee should take into account. (please do not exceed two(2) pages in length)

3. For Advanced Standing Students only: Please submit an additional essay describing how your BSW field placement or work in the field has prepared you for the level of work required for the MSW program?

Because social workers work with vulnerable populations, criminal history, especially crimes against persons, is taken seriously. It is for this reason that we ask applicants to reveal any felony convictions at the time of application. The MSW Admissions Committee will consider the nature, number, recency and remedial measures taken. After careful evaluation, the Admissions Committee will, at its discretion, decide that an applicant is either suited or not suited for social work practice. Please be advised that one’s criminal history may limit employment options after graduation.

I affirm that all the information contained in this application is true and correct to the best of my knowledge. I understand that the falsification of any part of this application is grounds for my disqualification for admission or dismissal from the program. In addition, I understand that this application becomes the property of Pacific University and is not returnable. I further understand that the application is accessible to faculty, staff, and members of the Admissions Committee.
