2016 Perspectives on Treatment & Management of Ocular Disease Posterior Segment (PS) | Part 1
- Shreya Malli, OD: Ocular Nevus vs Melanoma: Using OCT technology to differentiate
- John Creger, OD: To Doppler or Not to Doppler: OIS vs DR
- Aritka Naidu, OD: Multimodal Imaging Findings in a Case of Hydroxychloroquine Retinopathy

2016 Perspectives on Contact Lenses (CL)
- Sheila Morrison, OD: Scleral Shape and Specialty Contact Lens Fitting: Research to Clinical Practice

2016 Perspectives on Peri-Operative Management of Ophthalmic Surgery (PO)
- Trish Duffield, OD: From CF to 20|Happy: The Post-Operative Journey of a Pellucid Patient
- Maggie Wong, OD: Ocular Prosthesis – An Eye for An Eye
- Megan Szarkowski, OD: Cataract Surgery: Potential Complications Despite Advancements in Surgical Procedures

2016 Perspectives on Neuro-Optometry (NO)
- Inna Timshina, OD: Neuro-optometry Exam A to Z
- Krista Letzring, OD: Bilateral Consecutive Non-Arteritic Anterior Ischemic Optic Neuropathy Secondary to Small Vessel Disease, Bradycardia and Hypotension
- Karen Ma, OD: Funky Visual Fields

Saturday, June 11, 2016
8:00 am-2:00 pm

2016 Perspectives on Glaucoma (GL)
- Valerie Kitamori, OD: Micro-invasive Glaucoma Surgery

2016 Perspectives on Treatment & Management of Ocular Disease Anterior Segment (AS)
- Robert Cook, OD: When Good Corneas Go Bad
- Emily Karben, OD: Diagnosis and Management of Periocular Malignant Lesions

2016 Perspectives on Systemic | Ocular Disease (SD)
- Heather French, OD: Shedding Light on Night Blindness

2016 Perspectives on Surgery Procedures (Optometric) (SP)
- Shelby Gross, OD: In-office Removal of Benign Eyelid Lesions

2016 Perspectives on Functional Vision (FV)
- Alexandra Bavasi, OD: When Malingering Reveals True Visual Distress: an Unforeseen Vision Therapy Case
- Jacob Dufour, OD: Motion Processing Asymmetry in Essential Infantile Esotropia: A Case Series
- Charlotte Forgie, OD: Vision Rehabilitation with Cortically Blind Patient

2016 Perspectives on Treatment & Management of Ocular Disease Posterior Segment (PS) Part 2
- Karisa J. Etter, OD: Retinoschisis vs RD: Clinical Pearls
- Rachel Kurohara, OD: Injecting Knowledge into your Optometric Practice: Several Case Reviews with IVFA
- Victoria Kung, OD: Choroidal Complications following Glaucoma Surgery
