**FIRST Scholarship**

In support of the FIRST mission, Pacific University is offering five (5) merit-based scholarships of $2,500 each to high school seniors who have participated on a FIRST Robotics Competition (FRC) or FIRST Tech Challenge (FTC) team. This scholarship may be used for undergraduate study in the Pacific University College of Arts & Sciences, and is renewable up to a total of $10,000 over four years, contingent upon maintaining good academic standing and full-time enrollment.

**Eligibility**
To be eligible for this scholarship, you must:
- Be a senior in high school
- Have participated on a FIRST Robotics Competition (FRC) team or a FIRST Tech Challenge (FTC) team.
- Apply, be admitted to, and enroll in a bachelor’s degree program in the College of Arts & Sciences at Pacific University. (However, you may apply for this scholarship before applying for admission.)
- Have a combined SAT score in Math and Critical Reading of at least 1000 and a cumulative GPA of at least 3.0 (on a 4.0 scale).
- Provide a letter of recommendation from an adult mentor/coach on your FIRST team

**Application Timeline**
Your completed application for admission to Pacific University, along with the recommendation letter from your FIRST mentor/coach package must be received by the Pacific University Office of Undergraduate Admission no later than March 1. The address is:

Pacific University  
Office of Admissions  
2043 College Way  
Forest Grove, OR  97116

Applicants are also strongly encouraged to complete the Free Application for Federal Student Aid (FAFSA) at [www.fafsa.gov](http://www.fafsa.gov) so they can be considered for all available funding.
About Pacific University

Pacific is distinctive in its unique combination of qualities. It began as a Congregationalist school for orphans from the Oregon Trail, and developed into an exceptional liberal arts college. Now in its current combination of graduate teaching, graduate health programs and the undergraduate college, Pacific's focus on teaching and learning in a close mentoring environment leads to genuine transformation in students' lives. Close links between the liberal arts college and our renowned professional schools give the University a unique character. The emphasis on public service and on developing cross-disciplinary skills creates life-long learners willing to further the public good. The small size of the University provides for a friendly atmosphere, and the capacity to be flexible and open to change. Students, faculty and staff alike are drawn to Pacific by its commitment to the global community, and by its welcoming environment.
