**FINANCIAL AID INFORMATION:**

Students who develop special mid-year circumstances such as high transportation costs, certain unexpected medical expenses, childcare expenses, extra equipment/supplies, high room and board costs (credit cards and car payments do not count) can contact Dianna Hall in the Financial Aid Office by email [hall4524@pacificu.edu](mailto:hall4524@pacificu.edu) to determine whether their special circumstance qualifies for a budget increase. If a budget increase is approved students will be able to apply for additional grad plus or private loans. Students must be credit worthy for these loans.

If you have any questions or need to contact Financial Aid, Diana's information is below:
