Subject: [SUSPECTED SPAM] Haven of Phoenix PT- Please forward to Alumni and Grads

Good Afternoon Jeremy,

Independence Rehab has a great opportunity for a Physical Therapist looking to work in Phoenix. This would be a floater position between our Haven of Phoenix location and Immanuel Campus of Care. These facilities are only about 13 miles apart. You would spend only Wednesday at Immanuel Campus of Care and every other day at Haven of Phoenix. This would be a full time opportunity that would provide a competitive salary, comprehensive benefits, a matching 401K plan, and 18 days of paid time off. You would also have the opportunity to work for a rapidly growing company that knows how to take care of their therapists. Please let me know if there is anything I can do for you. If you are interested in the position, please let me know. I look forward to talking with you!
