All 4th year optometry students are eligible for the 2017 Case Report Award.

In order to qualify, the 4th Year student must write a Case Report involving the following topic:

- Successful contact lens wear and the impact of a healthy ocular surface

The written case report must be submitted by each 4th Year student to the designated Awards Committee person at each optometry school by February 28, 2017.

Each school’s Award Committee will select 1 winning case report and submit it to Alcon by March 15, 2017.

Attn: Tom Duchardt (tom.duchardt@alcon.com)
Alcon Laboratories, Inc.
6201 South Freeway (Mail Code TA5-7)
Fort Worth, TX 76134
(817) 551-8671

The student with the winning case report from each school will receive $1,000 out of the 2017 Alcon Partner in Education Program Fund.

Alcon will then have a panel of independent Doctors review all of the winning case reports submitted from each optometry school and select 1 overall national student award winner by April 1, 2017.

The overall national student award winner will receive an additional $5,000.

Mentors and co-authors are encouraged and should be acknowledged in the student’s case report submission.

See page 2 for the Case Report Format.
Alcon Case Report Format

Each case report is required to begin with an Abstract, approximately words (present tense), describing the case. The total case report submission should not exceed 4,000 words.

I. Case History
