Outdoor Adventure Award

Renewable awards of up to $2000 granted to select undergraduate students having demonstrated significant leadership in outdoor recreational pursuits. Applicants show a passion for human powered outdoor adventures and spreading that love to others in our community.

Please Complete the Following

NAME: ________________________________________________

HIGH SCHOOL ATTENDED: ________________________________________________

CITY, STATE: ________________________________________________

Please provide the following additional materials:

1. A short response describing how your outdoor adventure experiences have had a positive impact on your life and how you can spread your enthusiasm for this activity to others in the Pacific University community while you are here (500 words or less).

2. 3 minute video or slideshow of pictures showing you doing the outdoor adventure activity that inspires you the most.

Outdoor Adventure Award will be renewable for up to three additional years under the following conditions:

Recipients will be required to volunteer six hours a year to help spread your love for the outdoors to others. This might mean preparing a video that encourages others to get outdoors, talking to an outdoor leadership class about your outdoor experience, helping with Outdoor Pursuit trips or teaching others in our community how to do what you do. You will define this with the Director of Outdoor Pursuits once you are here on campus.

Application materials must be received by March 1st.
