Our celebration of your child’s birthday will include a crown, a handmade card from classmates, singing and dancing!

Sharing of food is a valuable aspect of significant events in our lives, so a special treat is included in our birthday celebrations. With numerous food allergies in the school and state regulations requiring that all food served to children be purchased from a commercial source, we have limited our birthday treats to a few specific options.

On your child’s birthday, please bring to school one of the following treats to share with the class (20 servings) during the celebration …

- Fresh Fruit Pieces, purchased ready-to-eat
- Frozen Fruit Bars or Popsicles

Family members are invited to join us for the birthday party! Please check with your child’s teacher about the time of the party, as each classroom schedules these differently. Frozen treats may be brought in the morning to school and stored in our freezer.
