- Only courses with a “C-” or higher will be considered for transfer credit.
- Students planning on entering Pacific’s health professional programs or majoring in the sciences should be sure to take the basic science sequences at the 200-level. Those planning on taking any chemistry or physics at Pacific should have previously taken Math through pre-calculus.
- At least 124 semester hours (186 quarter hours) are required for graduation from Pacific. Thirty of the last 40 semester hours must be taken at Pacific University.
- No more than 52 semester hours (78 quarter hours) in a single department may be counted toward graduation. Some exceptions do apply – please contact Pacific University for more information.
- Credit will not be given for experiential learning, military service, life experience, practicums, vocational, career/college exploration types of courses.
- Quarter credits transfer at two-thirds credit, i.e. 90 quarter credits = 60 semester credits (junior class standing).

Pacific University accepts the Associate of Arts Oregon Transfer degree as meeting general education requirements except for Foreign Language, the Four Cornerstones and Senior Capstone. Courses are evaluated on an individual basis.
