

# BUILD YOUR OWN HEALTHCARE PRACTICE

Continuing Interprofessional Education Series  
Interactive Webinar at Pacific's Hillsboro and Honolulu Sites

## Do I Have What It Takes to Run My Own Business?

In this session, presenters [Robin Shallcross, PhD, ABPP](#) and [Bryan Lang, PT, DPT, MHA](#) will speak from their personal experiences of being a 25 year solo private practice psychologist and a physical therapist in a newly established small group practice. Participants will self assess and interactively learn from presenters and other participants, steps for successful entrepreneurship. At the conclusion of this session, participants will be able to:

- Describe the main attributes of a successful ethical entrepreneur
- Differentiate qualities between successful and failed businesses
- Identify the causes of tension between service and profit
- Develop personal plan to reconcile service with profit
- Create a Vision and Mission statement for a business
- Begin a successful business planning resource list
