A Pacific University Bachelor's Degree is comprised of 3 parts: Core, Major, and Electives.

Core:

To complete the majority of your Pacific core requirements, it is strongly recommended that you earn the Associate of Arts Oregon Transfer (AAOT) degree at PCC. Students with this degree will only need to complete the Foreign Language, Civic Engagement, and International Diverse perspectives requirements. Contact the Pacific Advising Center for more information about completing these requirements at PCC.

If you are not planning to earn the AAOT degree before transferring to Pacific then your transfer courses will be reviewed on a class-by-class basis towards meeting core requirements. Use this guide in conjunction with the "Pacific University Transfer Guide for Portland Community College" which addresses selecting individual courses to meet our Core requirements or contact the Pacific Advising Center for a transcript evaluation.

Major:

The classes listed below will prepare you for your future business major at Pacific University. Completing these classes will allow transfer student to start their Junior level Business classes upon transferring to Pacific.
