To Whom It May Concern,

I am reaching out to you regarding your knowledge of recent or past graduates that may be interested in a new opportunity. Western Physical Therapy owns and manages nine successful and well respected outpatient Physical Therapy practices located in Northern California. We are a Physical Therapist owned company and are looking for qualified candidates to join our team in Live Oak.

Live Oak Physical Therapy is an esteemed outpatient practice that has been providing quality services to the Live Oak area for over 8 years. Our practice has a fun work environment, with state of the art equipment and well trained staff to assist with providing excellent care. Live Oak Physical Therapy is a short commute from Yuba City or Chico, CA and is close to several sister clinics which allows for communication and cooperation with other lead therapists and help for vacation coverage.

We provide an excellent compensation and benefits package that includes profit sharing. Once established all of our lead therapists earn in excess of \$90,000 annually and enjoys excellent support and flexibility. Benefits include PTO, health insurance, APTA dues, continuing education, profit sharing, and a retirement plan. Recent graduates are encouraged to apply, will be considered, and will receive training and mentorship as necessary. We invite you and prospective candidates to visit our websites at www.LiveOakPT.com.

Live Oak is located about an hour north of Sacramento, CA and is centrally located to the outdoor recreational areas of Northern California including Chico, Lake Tahoe, and the San Francisco Bay Area.

Thank you for your time and consideration, we would appreciate any insight you may have regarding placement and hiring. If your school is hosting any employment conferences we would love the opportunity to participate.

Kids Perspective Physical Therapy and Los Gatos Orthopedic Sports Therapy is seeking a part-time therapist to join our team!

We are seeking a therapist with solid experience in the treatment of children with a variety of musculoskeletal and neurologic conditions as well as adolescents and adults with orthopedic and sports injuries. Candidates should possess strong skills in posture and movement analysis, manual therapy, functional movement training, and therapeutic exercise prescription throughout the lifespan. We value therapists who focus on providing the most effective, evidence-based care while paying special attention to each patient's unique needs. Ability to work as a member of each patient's multidisciplinary team, including other therapists, physicians, equipment vendors, and schools is a must. Current certification, or interest in obtaining certification, as board-certified clinic specialist is a plus.

We offer one hour treatment sessions to ensure that each patient has sufficient time to learn and integrate new movement patterns and practice their new skills under a variety of environmental conditions. In order to provide our patients with the best possible outcomes, we utilize an evidence based evaluation format to design an individualized plan of care. In our pediatric division, we see a diverse patient population throughout childhood, from infancy to adolescence, with a focus on restoring function early on. Diagnoses seen include neuromuscular disorders such as cerebral palsy, toe-walking, and autism, developmental delay, torticollis and plagiocephaly, scoliosis, and many orthopedic conditions such as over-use injuries and sports-related conditions. Our pediatric gym offers privacy and a quiet environment for those who need it and our larger therapy gym is fully equipped for more advanced, sport-specific training.

We look forward to hearing from you! Please send your resume to Kris Nakaji, PT, PCS at knakaji@lgost.com or fax to (408) 358-1460. Please feel free to contact us or visit our websites at kidsperspectivept.com and www.lgost.com to learn more about what makes our team so special!

Subject: Physical Therapist Search

Currently, I am conducting a search for a Physical Therapist for a state-of-the art hospital with a vibrant and experienced team of leaders. This growth opportunity would morph into a Director of Rehab. role within the next few years. The hospital has experienced exponential growth throughout the past 8 years and is continuing on that trajectory. Minimum requirement of at least one year of Physical Therapy experience. Competitive salary, full benefits, relocation expenses paid as well as bonus.

Thank you in advance for sharing with students / alumni.

I welcome a call from anyone who is open to a conversation.

What a few candidates have shared throughout the years.

"I've never had a Recruiter spend this kind of time preparing me for an interview. Thank you. I've learned so much. This experience has been very valuable." ~ Crystal N., MD

"I can tell you love what you do. It comes through in the way you speak and how you treat others." ~ Angela B., CA

"The interview went well. The material you provided really helped me to prepare. Thank you." ~ Steven L., OH
