Seeking Exceptional Pediatric Physical Therapist to Establish New Clinic in Marin County, CA

This is a unique opportunity for an extraordinary pediatric physical therapist to help establish a new pediatric physical therapy clinic in beautiful Marin County, California.

We are the parents of a two year old boy with cerebral palsy. We believe in the Intensive Model of Therapy (IMOT), which was pioneered in Poland. We also see value in the use of equipment such as the Universal Exercise Unit and TheraSuit method. Our clinic will provide this therapy to children in Marin County who have Cerebral Palsy and other neurodevelopmental disorders.

This unique opportunity will allow you to focus on providing exceptional care and improve the lives of children. Our goal is to provide three hours of therapy, multiple times per week, breaking the traditional confines dictated by insurance companies. We think children with this intensive level of therapy can demonstrate outstanding improvements in their daily living.

We will provide the financial resources, office management and other administration required to make this clinic successful. You will have the finest facility, equipment and administrative support. Most importantly, you will have time with your patients longer and more consistent sessions that can lead to better outcomes.

We are seeking candidates with the following characteristics:

- Tremendous passion and energy for providing care to special needs children;
- Optimism and happiness that infects everyone you touch;
- The grit and tenacity to help build an exceptional organization;
- A philosophical alignment with NDT and Intensive Physical Therapy;
- Required degrees from accredited programs; and,
- A desire to live in Northern California permanently.

As you can tell from the criteria above, we are primarily focused on who you are as a person your energy, outlook and passions. We will support you in gaining additional experience and continuing education, but at this point we are focused first and foremost on finding exceptional people to join our mission. Prior IMOT experience is greatly valued, but not required.

This is a full time position that will pay above market compensation with benefits. Interested candidates should email Katie Schubring at kaschubring@gmail.com with an overview of their qualifications and motivations, as well as questions they have about the opportunity.
We’re currently seeking **passionate, talented PTs** to join our team!

Don’t settle for less than the best for your career. As a privately held facility, we offer superior advancement opportunities and benefits including 401k, health insurance, paid time off and generous continuing education.

- Receive extensive mentorship from our experienced therapists
- Enjoy a team-oriented, positive and collaborative environment
- Control your income through our comprehensive bonus plan

Send your resume to HR@BreakThroughPT.com and use “PT Applicant” as the subject line! 408-736-7600

Nearby Sacramento, California
If you are looking to work with a very progressive healthcare organization, this is it – see the latest technology and treatments…all the time… and keep on learning with their extremely supportive continuing education!!

Organized MENTORSHIP for New Graduates
Teaching Hospital

In this job, you will work with a team of PTs in outpatient settings
There are a number of outpatient clinics affiliated with this teaching hospital…this PT will spend part of each week at the following 2 clinics:

- The 100% Neuro Clinic is on the campus and the 75% Ortho/25% Neuro Clinic is nearby
- The PT will work with a team of other PTs
- Mentorship is absolutely provided
- Non-Profit organization, and therefore all about quality of patient care
- State-of-the-art technology as far as facility and documentation, and the latest in treatment methods for patient care
- Be a part of a large growing healthcare system; so much opportunity for growth and advancement within – in addition, they have a stellar reputation which makes this a top-notch employer to have on your resume

COMPENSATION:

- Starts at $36/hour and up based on experience
- A very generous relocation package
- An additional $5,000 Sign On Bonus
- Tuition Reimbursement options for any previous school loans $10,000
- Annual Continuing Education money per therapist
- Full Benefits package

PACIFIC STATES LOCATION: Equal to Mid-West cost of living
It’s a mid-size city with metropolitan amenities. There are very beautiful picturesque places to live. There is a small-town feel to it; with many recreational activities available. It’s a place to enjoy a more outdoor lifestyle with easy access to mountains and easy drive to beaches. Outdoor enthusiasts enjoy recreational activities such as water skiing, snow skiing, fishing, backpacking, boating, kayaking, white water rafting, mountain biking, hiking. There are live theaters, concert theaters, movie theaters, and art galleries. You will find restaurants from casual to fine dining, plus trendy taverns, and shopping malls with top retailers. This is a place where you can live close by to the more populated area, or you can choose to live more in the mountains with easy access to this very large healthcare campus with multiple health buildings. It’s a very unique setting for sure; with a very affordable cost of living.

For consideration and/or full details, please email resume or contact:

PHYSICAL THERAPIST 100% Outpatient Clinic
(70% Neuro and 30% Ortho)

Nearby Sacramento, California

If you are looking to work with a very progressive healthcare organization, this is it – see the latest technology and treatments…all the time… and keep on learning with their extremely supportive continuing education!!

Organized MENTORSHIP for New Graduates

This job would be for someone looking for a smaller outpatient setting – it’s very hands on with the patients… because you would be working with a couple other PTs and PTAs, but with this smaller setting you will get personal relationships built with the regular patients.

- The PT will work with a team of other PTs
- Mentorship is absolutely provided
- Non-Profit organization, and therefore all about quality of patient care
- State-of-the-art technology as far as facility and documentation, and the latest in treatment methods for patient care
- Be a part of a large growing healthcare system; so much opportunity for growth and advancement within – in addition, they have a stellar reputation which makes this a top-notch employer to have on your resume

COMPENSATION:

- $36/hour and up based on experience
- A very generous relocation package
- An additional $5,000 Sign On Bonus
- Tuition Reimbursement options for any previous school loans $10,000
- Annual Continuing Education money per therapist
- Full Benefits package

LOCATION: Equal to Mid-West cost of living
The Clinic is in a small rural town just outside of a large size city. The large size city has so much to offer if you are looking for metropolitan amenities. This location is good for outdoor enthusiasts that enjoy hiking, mountain climbing, long distance cycling, running paths, canoeing and rafting. The scenery is absolutely picturesque with mountain views. It is so well situated that you are an easy drive to large metropolitan areas too. You can live in the large size city since it’s a very easy drive to the smaller town.

CLINIPOST
Medical Healthcare Search Firm
Looking for a well balanced, motivated, happy physical therapist interested in working in a family atmosphere. This PT owned clinic has been running since 1994 and has a great local reputation. We are blessed to see the full spectrum of patients, offering many challenges and rewards. A team player is a must and someone interesting in sharing their passion for PT.

Anderson, California is located 10 miles from Redding in far northern California and within minutes of Whiskeytown and Shasta lakes, Sacramento river and many creeks make fishing and water sports just minutes away. Mountain and road cycling, hiking, backpacking, kayaking, and snow skiing are some of the shared hobbies of our employees.

If you want to join a fun, passionate group with good benefits and a very strong future, contact us. Interest in manual therapy, sports medicine, orthopedic as well as geriatric PT, vestibular rehabilitation are all appreciated. You will grow as a PT in this relaxed but busy practice.

If you think you are qualified and would be a contributing member of our team, please contact us below with one of the options available to you.
