SUBMIT

You will see all students to whom you gave Instructor Consent, and/or waived requisites.

This is a good place to check that you entered the correct permissions for each student. If you notice an error, email the Registrar's Office ASAP at registrar@pacificu.edu (copy the student), and indicate the course number and section, student name and ID, and the correction to be made. The Registrar's Office will revoke the waiver, which will be indicated in the Revoked column. Click **Submit** to return to the **Faculty Information** menu.
