Parent/Legal Guardian Consent for Gender Neutral Housing

Pacific University seeks to provide a living environment welcoming to all gender identities; that is not limited to the traditional binary gender identification.

Typically students are assigned a roommate of the same gender assigned at birth. However, we recognize that the traditional roommate pairings may not be the most comfortable option. Our housing practices now offer Gender Inclusive Housing that allows for same-gender, opposite gender, or other gender identities to live together regardless of gender assigned at birth.

Students under the age of 18 must receive consent from a parent/legal guardian prior to moving into University Housing. Please complete the following form and return it to the Pacific University Housing Office by August 1, 2016.

The University will maintain its policy regarding the Family Education Rights and Privacy Act (FERPA) of 1974. No educational records or other personal information about the Minor Student will be offered to the Minor Student’s parent(s) or legal guardian(s) without the student’s consent unless an emergency requires that they be contacted by the Dean’s office. Thus communication between students and parents/legal guardians becomes even more important while a student is living away from home as a minor.
