Visit Galápagos and Ecuador
Fall 2017 and Winter 2018
4 credit travel course

Spend 2 weeks in one of the most biologically-diverse countries in the world! Learn biology while hiking, snorkeling, and boating!
Open to all Pacific University students!

This course meets the International Perspectives core and is offered as both:

- **Biol165/166**: A natural science course for non-science majors
  Prerequisite: Sophomore standing (30+ semester credits)
- **Biol365/366**: An upper-division course for biology majors and minors
  Prerequisite: Biol312 and Biol314

2 credit Fall 2017 preparatory course meets weekly on campus.
2 credit Winter 2018 travel course involves travel to Galápagos islands and Ecuador.
