

MTSU is seeking candidates to fill an Assistant ATC - Football position.

Mid

ASSISTANT ATHLETIC TRAINER

Athletic Trainer

Pos. # 513020 Req. # P191

RESPONSIBILITIES: The Assistant Athletic Trainer has primary responsibility to assist with the overall medical and health related care of student athletes participating in NCAA Division I intercollegiate athletic teams within the University. Essential duties include but are not be limited to: assist in prevention, treatment, rehabilitation, physician referral, and medical documentation of all injuries associated with assigned student athletes; communication with coaches, student athletes, parents, staff and physicians within NATA and HIPAA guidelines; maintain and observe all athletic policy and procedures in accordance with NATA regulations and remain certified to perform these duties on a daily basis. Provide supervision of daily practice and game coverage, in season travel, and summer sports workout coverage for assigned sports as permitted by NCAA legislation and required to be flexible and adapt to schedule changes. Required to adhere to all policies, procedures, and regulations of the NATA, NCAA, Conference USA, and MTSU Athletic Department. Serve as an approved clinical instructor (ACI) within the CAATE accredited undergraduate athletic training curriculum program; teach athletic training curriculum program and assist Associate Trainers in the supervision of certified graduate assistant athletic trainers and our sports medicine athletic training students in the Sports Medicine educational program; instruct these students in professional prevention, care and rehabilitation of assigned athletes. Expected to attend national NATA and Conference USA meetings and/or conventions to remain current of their field for changes that occur. Required to comply with NCAA legislation and immediately report any known violations of NCAA rules to the Compliance Office and submit all required documentation to the Compliance Office in a timely fashion; and perform other related tasks or projects as assigned.

QUALIFICATIONS: Bachelor's degree and two (2) years of relevant collegiate and/or clinical athletic training experience working required. Graduate Assistantships in Athletic Training in a university training room accepted. Knowledge of NATABOC rules and regulations required. CPR, AED, First Aid Certified required. Master's degree and three (3) years of Division I A Athletic Training experience working with Football preferred. CSCS, CES, and/or PES Certifications preferred. NFL Experience preferred.

SALARY RANGE: Commensurate with experience

FILING PROCEDURE: Interested applicants should submit the following **required** materials: (1) a cover letter indicating interest in the position; (2) a complete resume (3) an application submitted at: <http://mtsujobs.mtsu.edu>.

POSTING DATE: May 9, 2017

Founded in 1891, The College of Idaho is the state's oldest private college. The C of I has a national reputation for academic excellence and for preparing successful graduates, including seven Rhodes Scholars, three governors, four NFL players and countless business leaders and innovators. The College is located on a beautiful campus in Caldwell, a community of 50,000 located in Idaho's vibrant Treasure Valley. Campus is just 30 minutes from downtown Boise, a thriving city with a multitude of dining and entertainment options including the Idaho Shakespeare Festival, the Boise Philharmonic Orchestra, professional sports and more. The area also offers world-class opportunities for hiking, camping, fishing, skiing, mountain biking and whitewater rafting. For more information on The College of Idaho, visit www.collegeofidaho.edu.

The College of Idaho invites applications for an Assistant Athletic Trainer. The Assistant Athletic Trainer assists the Head Athletic Trainer in the prevention and treatment of sports-related injuries and conditions that occur to participants of selected teams in the intercollegiate athletic program; assist with routine athletic training duties in the training room.

Essential Functions:

- Assist the Head Athletic Trainer in the following:
 - Provide initial evaluation of injuries to intercollegiate athletes and develop treatment plans and/or physical therapy for injured athletes.
 - Provide treatment and rehabilitation for intercollegiate athletes who have been injured as a result of their participation in The College of Idaho (C of I) practices and competitions.
 - Maintain medical records on intercollegiate athletes, documenting injuries and treatments that occur as a result of their participation in intercollegiate athletics at the C of I.
 - Provide pre-event preparation and emergency coverage at intercollegiate practices and competitions as directed by the Head Athletic Trainer.
 - Work with the team physician in conjunction with the Head Athletic Trainer and team physician regarding athlete's readiness for activity following an injury or illness.
 - Communicate with coaching staff concerning the medical status of athletes that sustain an injury or illness.
 - Provide athletic training services and medical coverage for intercollegiate athletic events hosted by the C of I for both home and visiting teams.
- Perform other related duties as assigned by the Head Athletic Trainer.

Knowledge, Skills, and Abilities

- Ability to work varied hours, evenings and weekends
- Knowledge of Microsoft Office suite
- Excellent communication skills, both oral and written, in English
- Ability to maintain a high level of customer service
- Must be self-motivated, willing to work independently
- Detail oriented while adhering to guidelines, performance standards and policies
- Must possess a strong work ethic and unquestioned personal integrity

Qualifications:

- Education: BA or BS Degree from an accredited college or university
- Licensure/Certification:
 - Must be certified by the National Athletic Trainers Association (NATA) and be in good standing
- Must be licensed to practice athletic training by the Idaho State Board of Medicine
- Must possess a current valid driver's license, be vehicle insurable with a good driving record in accordance with The College of Idaho's vehicle policy.

Additional Requirements:

Travel: As required

Attendance: Regular attendance, including evenings and weekends depending on games, events and competitions

Environmental: Subject to outdoor weather conditions

Candidates must be authorized to work in the United States as of the expected hire date and throughout the date of the contract without sponsorship from The College of Idaho.

To apply please submit a cover letter addressing qualifications for the position, a resume, and the names and contact information of three references, two management and one professional to hr@collegeofidaho.edu. Application review will begin immediately. Applications will be accepted until suitable candidates are selected. To learn more about The College of Idaho, please visit www.collegeofidaho.edu

The College of Idaho is proud to be an equal opportunity employer. We are committed to attracting, retaining, and maximizing the performance of a diverse and inclusive workforce.

Subject: Athletic Trainer Position at Rogue Community College

Hello,

My name is Darren Van Lehn I am an academic advisor with Rogue Community College and am working on special assignments for our recently formed athletics department here at RCC. I am reaching out because Rogue is looking for the services of an athletic trainer for this fall for our men and women soccer teams.

I know that your school offers a program for athletic trainers and am interested to know if you have upcoming graduates, or past graduates, that might be interested in this opportunity. We would require that they have their certification process completed. It would be a position paying \$25/hour and would currently only be needed before, during, and after our home games. We are have a total of 8 home games this year. As we grow our program a full time position will ultimately be created. I am more than willing to provide full detailed information to any of your students, past or present, in addition to staff who might be interested.

Lastly if you know of any additional forums or resources that I might be able to look into regarding interest in this position I would greatly appreciate it. I know you are busy, as I am, with the ending of the school year and appreciate your time and consideration with this matter.

Thank you,

Darren Van Lehn
