**Subject:** Montana PT career opportunity- please forward to your alumni!

Good afternoon Jeremy; I would really appreciate if you would forward the below information to your alumni. I apologize if I'm sending this to you personally if you already have an online job posting system. Thank you!

Have you considered small-town living in one of the most beautiful small towns in America? Independence Rehab is very excited to announce an exciting **full-time** PT career opportunity in one of the most picturesque areas of the country, Montana! On June 20 we take over rehab operations at two small skilled nursing facilities: Tobacco Root Mountains Care Center in Sheridan, MT and Madison Valley Manor in Ennis, MT. In this role you would float between these two smaller facilities to provide therapy to our geriatric rehab patients. We anticipate having a four-therapist team including a PT, OT, COTA or PTA, and SLP. You will receive significant training and orientation, and mentorship as necessary. This position has a very strong salary & benefits package that includes relocation as necessary. If this isn't the job for you, do you know a PTA who would consider discussing this amazing opportunity with me? Feel free to forward my information along, thanks! Check us out at [www.indrehab.com](http://www.indrehab.com) and call me anytime!
