## TESTIMONIALS

"I have been with Reflectx Staffing for nearly 3 years now, and it has been an absolute pleasure to work with Cori. Cori is very proactive about getting another assignment lined up for me (up to 4 weeks before my current assignment ended). She has been very forthcoming about my chances of finding an assignment in the setting and/or place in which I wanted to go. You can't go wrong with Cori Toler and Reflectx Staffing."

**Barbara P., PT, DPT from Atlanta, Georgia**

"Cori is an amazing recruiter and has been extremely helpful from day one. She has answered all of my questions about travel therapy in an unbiased way and has helped me get the ball rolling even before passing my boards so that I could begin working as quickly as possible, after receiving my license. Cori has worked diligently at securing my first position as a new grad, keeping me informed on a regular basis. Cori has been a wonderful recruiter to work with so far and makes you feel like you are her number one priority when trying to find a good location to fit your strengths and interests. I look forward to working with Cori in the future, and highly recommend her to anyone that is considering travel therapy."

**Chris B., PT, DPT from NC**

"I've been part of the Reflectx team since 2011. From the beginning, Cori has made me feel comfortable and confident with my travel assignments. She is diligent, knowledgeable, organized, personable, and willing to go the extra mile. Cori has helped make my experience as a traveling OT stress-free and very enjoyable!"

**Anne K. OTR from Indianapolis, Indiana**

"I have been currently employed as a travel Physical Therapist for Reflectx Staffing for the past two and a half years. I chose Reflectx and Cori because of the friendly and helpful staff, flexibility with assignment preferences, and emphasis on ethical and high quality care. Every time I am in search for new employment opportunities, my recruiter, Cori, is available whenever I need, and is in constant contact. Cori has been very successful with giving me the best options for assignments that best suit my abilities as a physical therapist."

**Ryan M. PT, DPT from Tampa, Florida**

"I've been working with Cori with 3 years, and she has done a great job of finding me the exact assignments I was looking for. She is always pleasant and easy to communicate with and willing to help. She is also easy to get in touch with even after work hours, unlike some recruiters I have dealt with in the past. I highly recommend Cori to any therapist."
