

PASS/NO PASS OPTION

Forest Grove Undergraduate students may take one course, in addition to courses requiring Pass/No Pass grading, each semester on a Pass/No Pass basis. Such courses may not be used to fulfill core, major, minor, or teaching endorsement requirements. The "P" grade is equivalent to a "C" or above. Students must declare the Pass/No Pass option no later than the withdrawal deadline of the course. Once the Pass/No Pass option is declared you may not revert back to the graded option.
