

Pharmacy

Pharmacist – Delano,

CA

**\*Job Description :**

When you have made the decision to make pharmacy your life's work, perhaps you didn't plan to also make it your life. We know you need to balance work and leisure, so we offer our pharmacists regular work schedules, most major holidays off, and the work environment that allows you the opportunity to be more than a pharmacist, but also a friend to your patients. At Kmart, you will receive outstanding day one healthcare benefits, a competitive salary and excellent personal and professional growth potential.

Kmart Pharmacy is committed to improving the health of our patients and demonstrates this through delivery of face-to-face and phone consultations with our patients in an effort to reduce the risk of adverse events and optimize therapeutic outcomes. Our pharmacists are trained in Medication Therapy Management (MTM) services in order to further enhance our patient's lives and therapeutic outcomes. Patients can participate in our Pharmacy Rewards, Specialty Drug and Prescription Savings Programs. Our pharmacists are trained to administer, manage and recommend many CDC recommended immunizations and vaccinations.

The more we know, the better we can help our patients! As one of the larger pharmacy chains nationwide, with locations in 45 states, plus Guam, Puerto Rico and the Virgin Islands, our pharmacy career track is designed for acceleration. Motivated pharmacists with the skills and the desire can quickly advance to Pharmacy Manager, Pharmacy District Manager and on to corporate pharmacy management. When you blend our opportunity with your knowledge, your career potential is unlimited.
