2017-2018 Returning RA and SRA Re-Application Presentation

For your 20 minute presentation choose a **specific** topic that would like to know more about, are curious about or know nothing about. Topics should be related to the RA/SRA position in some way. Utilizing three credible sources, research a bit about your topic and answer the following questions during your presentation:

- What did you learn from researching this topic?
- How does this relate to the RA/SRA position?
- How will you utilize what you have learned next year as an RA/SRA?

Examples of areas to look into:

Peace and Social Justice issues
Religious traditions
Sexual Assault/Relationship Violence
Health and wellness
Conflict management/Resolution/Mediation
Disability awareness
Gender and Sexuality
Interpersonal communication

If you have questions or need assistance in narrowing down your presentation focus, please connect with your supervisor or Karolyn/Megan.

Presentation Submission Form Due Tuesday January 17th at 5:00pm:
