This sheet was developed to provide your instructor a record of your participation in each research experience. Please submit the receipt as one sheet (even if you only needed to participate in one study to complete your credit requirement).

**FIRST STUDY**
Study Title: __________________________

Principal Investigator/course: __________________________

Date of Participation: __________________________

Time spent: __________________________

Examiner’s name: __________________________

Examiner’s signature: __________________________

**SECOND STUDY**
Study Title: __________________________

Principal Investigator/course: __________________________

Date of Participation: __________________________

Time spent: __________________________

Examiner’s name: __________________________

Examiner’s signature: __________________________

**THIRD STUDY**
Study Title: __________________________

Principal Investigator/course: __________________________

Date of Participation: __________________________

Time spent: __________________________

Examiner’s name: __________________________

Examiner’s signature: __________________________

**FOURTH STUDY**
Study Title: __________________________

Principal Investigator/course: __________________________

Date of Participation: __________________________

Time spent: __________________________

Examiner’s name: __________________________

Examiner’s signature: __________________________
