Students are advised to consult early with the Transfer Admissions Counselor and the Advising Center at Pacific University

A Pacific University Bachelor’s Degree is comprised of 3 parts: Major, Core, and Electives. This guide is designed to help you select foundation courses for your major. Use this guide in conjunction with the “Pacific University Transfer Guide for Kapiolani Community College” which addresses selecting courses to meet our Core requirements. Future transfer students should discuss with a Pacific Advisor the amount of foundation courses for your major and the amount of core you should plan to transfer to Pacific. If you have questions regarding major selection or emphasis selection (for Environmental Studies and International Studies), the Advising Center or Admissions Office will connect you with a Faculty Advisor in your proposed major.

Pathways for Future Pacific Transfer Students in the Social Sciences
