Social Work

http://www.pacificu.edu/as/socialwork

Social Work is housed in the Social Work and Public Health Department. The department offers the following majors and minors:

   Major in Social Work
   Major in Public Health
   Minor in Public Health

Students interested in majoring in Social Work must apply to the major. This is done after successfully completing the Principles of Social Work course. Application materials are available on the Social Work program homepage. Students cannot declare the major through the typical route.

Students should be aware that the Social Work Program includes substantial time in field placements in various courses and a 440-hour practicum senior year.

We do not offer a minor in Social Work.

The Social Work major must complete the following core courses with a grade of “C-” or better and maintain a 2.75 average in the major.

TOTAL: 61 credits
Social Work students are strongly encouraged to take Human Biology (HBIO110) or Human Anatomy and Physiology (HBIO 231) since many MSW programs require a course in Human Biology as a pre-requisite.

The Social Work Program does not give academic credit for life or previous work experience.

**Sample 4-year schedule**

Students pursuing a social work major over four years have some flexibility in scheduling. The following outline is intended as a guide and lists only courses for the major in social work. Students must, of course, take courses to fulfill all College and core requirements.

**Freshman Year:**
- Sociology 110, or 120, or 130, or 150
- Introduction to Psychology

**Sophomore Year:**
- Principles of Social Work
- Counseling and Interviewing Techniques
- Human Behavior in the Social Environment
- Social work elective

**Junior Year:**
- Social Work Research Methods
- Statistics
- Micro Social Work Practice
- Macro Social Work Practice
- Social Policy & Social Justice
- Social work elective
- Pre-Practicum Seminar

**Senior Year:**
- Practicum (fall and spring)

**Sample 2-year schedule**

The courses that transfer students need to take in order to complete the social work major in 2 years will depend upon each student’s previous coursework. Typically, transfer students will transfer in some lower division course work.
Junior Year:
- Principles of Social Work
- Human Behavior in the Social Environment
- Social Work Research Methods
- Counseling and Interviewing Techniques
- Micro Social Work Practice
- Macro Social Work Practice
- Social Policy & Social Justice
- Pre-Practicum Seminar

Senior Year:
- Two Social Work Electives
- Practicum (2 semesters)
