

*Looking for a Great Job?
Johnson County Healthcare Center has an
opening for a Physical Therapist*

Benefits: Paid time off, paid sick leave, medical/dental/vision insurance.

About the job: We are a fun and motivated group that follow our own patients. We service the local outpatient clinic as well as a 25 bed hospital and a 50 bed nursing home. We provide outpatient services from sports rehabilitation to acute and chronic back pain, post-surgical rehab, wound care, neurology, pediatrics, aquatic therapy, and geriatrics. We also serve the local and county schools. We work closely with each other and our local primary physician group, visiting orthopedic group and the local surgeon.

About Buffalo: Buffalo is a beautiful and progressive town of approximately 5,000 people nestled in the foot of the Big Horn Mountains in north central Wyoming. The outdoor activities are endless. Buffalo is a great place for the enthusiast to enjoy nature, whether it be running, hiking, biking, water and snow skiing, rock climbing, fishing, hunting or just enjoying the good life. Buffalo is also a wonderful place to raise a family with brand new schools and an abundance of youth activities and sports.
