- Enhancing learning through technology

Pacific University
College of Education
Undergraduate Scholarships

- ❑ **Irene Holland Annual Scholarship:** an undergraduate junior or senior majoring in education or a related field with the intent of becoming an educator. Preference given to a student interested in pursuing physical education and/or coaching. Demonstrated financial need and in good academic standing. Renewable through Pacific's Master of Arts in Teaching program.

- ❑ **Ankeny Endowed Scholarship:** an underrepresented teaching candidate studying to teach pre-K through grade 8. Priority given to candidate with undergraduate GPA of 3.5 and above, economic need, member of underrepresented group in early childhood and elementary education.

- ❑ **Henry Kaulia Annual Scholarship:** an undergraduate with demonstrated financial need. A student entering their junior or senior year majoring in Ed and Learning or with an interest in becoming an educator. Renewable through Pacific's MAT program. Shall be awarded to a student from Hawaii with preference given to a Leeward Oahu student.

- ❑ **Schmiedeke-Cox Annual Scholarship:** used to assist transfer students interested in an education career. Based on need and merit, renewable through undergrad and graduate years.

- ❑ **Doc Roberts Endowed Scholarship:** student enrolled in STEM, with financial need, pursuing a teaching career in science and/or math. If no candidate demonstrates financial need, award may be based on merit.

- ❑ **Touch the Future Endowed Scholarship:** awarded to Latino students who have demonstrated financial need and academic promise. Primarily awarded to students who want to enroll at Pacific for teacher training. COE would be pleased if these students became teachers but would also be pleased to see any higher education choices.
