1. results directly from an unexpected and unintentional event;
2. is independent of disease, bodily infirmity or any other cause; and
3. is not caused by routine or normal body movements, such as stooping, twisting, bending or chewing.

Any disability which begins more than 180 days after the Accidental Bodily Injury will be considered an Illness for the purpose of determining Short Term Disability Benefits.

**Actively at Work** or **Active Work** means performing the material and substantial duties of your own occupation at the Employer's usual place of business.

You must be under the care of a Physician during the Benefit Waiting Period.

**Certificate** means a document prepared by us which sets forth:

1. the benefits to which the insured Employee is entitled;
2. the method by which we determine to whom benefits are payable; and
3. the conditions, limitations, exclusions and requirements that apply.

**Confirmation Statement** means a letter that verifies the benefit level you have been approved for and the Effective Date of coverage.

**Contributory Insurance** means you must pay a part or all of the premiums. All such payments must be made directly to the Employer.

**Coverage Outline** means a summary of the eligible classes, Waiting Periods, amounts of insurance, and other relevant information which applies to the coverage provided by the Policy. The Coverage Outline forms Page C-2 of this Certificate.
**Earnings** means your gross weekly income from your Employer in effect just prior to your date of disability. It includes your total income before taxes, including any shift differential, and any deductions made for pre-tax contributions to a qualified deferred compensation plan, Section 125 plan, or flexible spending account. It includes income actually received from commissions but does not include renewal commissions, bonuses, overtime pay or any other extra compensation, or income received from sources other than your Employer.

Commissions will be averaged for the lesser of:

1. the 12 full calendar months period of your employment with your Employer just prior to the date your disability begins; or

2. the period of actual employment with your Employer.

Earnings, whether for a full year or partial year, will be converted to a weekly amount for the purpose of calculating the weekly payment.

**Gross Weekly Benefit** means the benefit amount shown in the Coverage Outline.

**Guarantee Issue Amount** means the amount of insurance coverage an eligible person may receive under the Policy without submitting Evidence of Insurability. This amount is based on the class of insurance for which the person is eligible according to the Coverage Outline.

**Hospital** means an accredited facility licensed to provide care and treatment for the condition causing your disability.

**Illness** means sickness, disease, pregnancy, or complications of pregnancy.
Material Duties means duties that:

1. are normally required for the performance of your Own Occupation;
2. are job tasks performed in the general labor market and national economy; and
3. cannot be reasonably omitted or modified.

Material Duties are not limited to those specific job tasks as performed for a specific employer or at a specific work site.

Maximum Benefit Period means the longest period for which STD benefits are payable for any one period of continuous disability, whether due to one or more causes. It is subject to the conditions of Item D. SUBSEQUENT PERIODS OF DISABILITY. The Maximum Benefit Period begins at the end of the Benefit Waiting Period.

Noncontributory Insurance means you are not required to pay any part of the premiums.

Own Occupation means your trade, profession or business as it is recognized in the general workplace. Own Occupation does not mean the specific job you are performing for a specific Employer or at a specific location.

2. able to perform all of the material and substantial duties of your own or any other occupation on a part time basis; and
3. earning less than 80% of your Predisability Earnings at the time the Partial Disability employment begins.

Loss of a license for any reason does not, in itself, constitute disability. The Employer's approval of a leave of absence under any federal or state Family and Medical Leave Act or law of like intent does not, in itself, constitute disability.

Physician means a person who:

1. is licensed to practice medicine and prescribe and administer drugs or perform surgery; or
2. is legally qualified as a medical practitioner providing services within the scope of his license and is required to be recognized under the Policy for insurance purposes according to the insurance statutes/regulations of the governing jurisdiction; and

Sick leave does not include PTO, holiday pay, or severance pay.

**Total Disability** or **Totally Disabled** means that you are unable to perform the Material Duties of your Own Occupation due to an Illness or Accidental Bodily Injury and are under the Regular Care of a Physician. If you become disabled due to organ donation and are unable to perform the Material Duties of your Own Occupation, and are under the Regular Care of a Physician, you will be deemed Totally Disabled under the provisions of this Policy.

Loss of a license for any reason does not, in itself, constitute total disability. The Employer's approval of a leave of absence under any federal or state Family and Medical Leave Act or law of like intent does not, in itself, constitute total disability.

**Waiting Period** means the continuous length of time you must be in Active Employment before becoming eligible for coverage under the Policy. The Waiting Period is shown in the Coverage Outline.

**We, Us and Our** refer to LifeMap Assurance Company.

**You and Your** refer to the insured Employee.
ELIGIBILITY AND EFFECTIVE DATES

This section explains how and when an Employee may enroll under the Policy and when an Employee's insurance will end.

A. ELIGIBILITY

You are eligible for coverage under the Policy if you meet the eligibility requirements stated in the Coverage Outline. Your eligibility date is the later of:

1. the date on which this Policy takes effect; or

2. the date specified in the Coverage Outline which follows your completion of the Waiting Period.

If you are a former employee who is rehired within six months of the date your employment terminated, your previous service in an eligible class will apply toward the waiting period to determine your eligibility date.

B. EFFECTIVE DATE OF INSURANCE

Subject to Item D. ACTIVELY AT WORK PROVISION and any Evidence of Insurability requirements, you will become insured:

1. for Noncontributory Insurance - on your eligibility date;

2. for Contributory Insurance - as follows:
   a. if you enroll for an amount equal to or less than the Guarantee Issue Amount within 31 days after first becoming eligible, coverage will take effect on your eligibility date; or
   b. if you enroll for an amount above the Guarantee Issue Amount within 31 days after first becoming eligible, coverage for the amount above the Guarantee Issue Amount will take effect on the Effective Date assigned by us, as shown on your Confirmation Statement, if your Evidence of Insurability is approved; or
   c. if you enroll for any amount more than 31 days after first becoming eligible, coverage will take effect on the Effective Date assigned by us, as shown on your Confirmation Statement, if your Evidence of Insurability is approved.

C. WHEN WE MAY REQUIRE EVIDENCE OF INSURABILITY

We will require Evidence of Insurability for all persons applying for insurance in any of the following situations:

1. the amount of insurance exceeds the Guarantee Issue Amount shown in the Coverage Outline; or

2. for Contributory Insurance - enrollment is made more than 31 days after you first became eligible.

Approval of coverage is subject to our review of your Evidence of Insurability. If insurance is approved, you will receive a Confirmation Statement verifying the amount and Effective Date of coverage. Coverage will begin on the Effective Date shown on your Confirmation Statement provided you are Actively at Work and performing all the regular duties of your own occupation and the required premium has been paid.
D. ACTIVELY AT WORK PROVISION

Coverage will take effect as scheduled only if you are Actively at Work all day on the last regular working day before the scheduled Effective Date. If you are absent from work due to illness (including pregnancy or complications of pregnancy) or injury; coverage will not become effective until the first day after you complete one full day of Active Work.

However, coverage will take effect on your regular day off, a holiday, or a paid vacation day; if the regularly scheduled Effective Date falls on that date and you were Actively at Work on the last regular working day before that date.

This Actively at Work requirement also applies to any increase in your coverage.

E. CONTINUITY OF COVERAGE

The following provision is included in this Policy to prevent loss of coverage when the Employer changes insurance carriers.

We will cover you, subject to premium payments, if you:

1. were insured with the prior carrier at the time of transfer to this Policy; and

2. you are a member of an eligible class, however are not Actively at Work due to injury or illness.

The benefit payable will be that which would have been paid by the prior carrier had coverage remained in force, less any benefit for which the prior carrier is liable.

G. CHANGES IN INSURANCE

Changes in insurance due to changes in salary, classification and plan design, will become effective on the first day of the month following or coinciding with the date of the change except that:

1. all increases in insurance are subject to Item D. ACTIVELY AT WORK PROVISION; and

2. insurance which exceeds the Guarantee Issue Amount shown in the Coverage Outline will take effect on the Effective Date assigned by us if Evidence of Insurability is approved. In such case, you and the Policyholder will be notified of the Effective Date of the amount of insurance which is over the Guarantee Issue Amount.

An increase in your short term disability coverage may be subject to a pre-existing condition limitation as described in the policy. An increase in coverage will not affect a payable claim that occurs prior to the increase. Any decrease in coverage will take effect immediately but will not affect a payable claim that occurs prior to the decrease.
H. WHEN INSURANCE ENDS

Your insurance under the Policy will end on the earliest of the following dates:

1. the date the Policy terminates;

2. the last day of the period for which you have made any required contribution (Contributory Insurance);

3. the date employment terminates (please note: payment of premium for an employee who no longer meets the eligibility requirement does not continue coverage for such employee);

4. the date you retire;

5. the date you cease to be eligible. However, coverage may be continued during periods in which you are not Actively at Work, but your Employer continues to pay you at least the same Earnings paid to you immediately before you cease to be Actively at Work. If eligible, coverage will be continued until you return to Active Employment with your Employer.

Ceasing to be Actively at Work will be deemed termination of employment except that coverage may be continued with premium payment (unless coverage ends under 1. through 5. above) as follows:

Disability:

Coverage may be continued if:

a. you do not meet the definition of Disability in this Policy, but your ability to work is limited due to illness or injury; and  
b. your eligibility ends because you are working less than the minimum hours required by the Policy to be a member of an eligible class.

If you meet the requirements of items a. and b. above, coverage will be continued during the period your ability to work is limited, for up to 6 months.

Temporary Layoff or Labor Dispute:

Coverage may be continued during a temporary layoff or labor dispute, including any strike, work slowdown, or lockout.

If eligible, coverage will be continued through the end of the month that immediately follows the month in which the temporary layoff or labor dispute begins.

Military Service Leave of Absence:

Coverage may be continued during a leave of absence for military service of 30 days or more.

If eligible, coverage will be continued for up to the greater leave period provided under Leave of Absence or Family and Medical Leave of Absence below.
Leave of Absence:

Coverage may be continued during a leave of absence approved in writing in advance by your Employer.

If eligible, coverage will continue through the end of the month that immediately follows the month in which the leave of absence begins.

Family and Medical Leave of Absence:

Coverage may be continued during a Family and Medical Leave of Absence as defined by the Federal Family and Medical Leave Act of 1993, and any amendments.

If eligible, coverage will continue up to the greater of the leave period required under the:

i. Federal Family and Medical Leave Act of 1993, and any amendments; or
ii. applicable state law.

If your Employer’s company rules do not provide for continuation of an Employee’s Short Term Disability coverage during a Family and Medical Leave of Absence, your coverage will be reinstated when you return to active employment. We will not:

i. apply a new Waiting Period;
ii. apply a new pre-existing conditions exclusion; or
iii. require Evidence of Insurability.

Sabbatical Leave of Absence:

If you are given the opportunity to take a sabbatical leave of absence for research and study, with the required premium payment your coverage will be continued during the sabbatical leave of absence.

To be eligible for a sabbatical leave of absence you must:

a. be in full-time Active Employment with the Employer for at least 6 years;
b. already have been granted tenure or an extended-term appointment at the time of application; and
c. agree to return to Active Employment with the Employer for at least 2 years once the sabbatical leave of absence is completed. Sabbatical leaves of absence are not granted to Employees who contemplate retirement within two years.

Postponement of an authorized sabbatical leave of absence will not invalidate future eligibility. After concluding an initial sabbatical you are eligible to apply again in 6 years. Exception: Time spent on sabbatical leaves of absence at an FTE between 0 and 0.49 are not credited to the six-year eligibility period.
You may request a sabbatical leave of absence by making application for the leave to the dean or director by the deadline established by the personnel committee. The personnel committee reviews each proposal and application for the requested sabbatical leave of absence, requesting clarifying material or a revised proposal when necessary. The personnel committee then forwards all relevant materials for the requested sabbatical leave of absence to the Provost, with a recommendation to grant or not to grant the sabbatical leave of absence. Employees potentially affected by your absence must be consulted before making a recommendation to the Provost. Major changes in a sabbatical proposal that may develop during a sabbatical leave of absence must be approved by the personnel committee, dean or director. Awards are announced after acceptance of the application by the Provost and President.

The personnel committee considers the following criteria in making its recommendation for sabbatical leaves of absence:

i. evidence that the sabbatical would lead to accomplishment in one or several areas of scholarship, or development in areas that would enhance your course portfolio;
ii. you have agreed to publish or present results of the sabbatical to peers in your discipline during or upon conclusion of the leave of absence;
iii. the quantity of work proposed for the sabbatical is commensurate with the length of leave requested;
iv. you have demonstrated the ability to bring scholarly projects to successful completion; and
v. results of prior sabbatical leaves of absence.

Consideration is given to the following for a sabbatical leave of absence request:

i. length of time served since the last sabbatical leave of absence;
ii. academic rank; and
iii. the nature of the proposed research project or study plan.

Sabbatical leave shall be compensated as follows:

i. for 9 and 10 month sabbaticals - leave is for one-half or one full academic year, as appropriate, with annual Earnings paid as follows:
   1.) full annual Earnings for the half-year sabbatical leave of absence; and
   2.) one-half annual Earnings for the full year sabbatical leave of absence.
ii. for 11 and 12 month sabbaticals – leave is for 4, 8 or 12 months as appropriate, with annual Earnings paid as follows:
   1.) full annual Earnings for 4 months;
   2.) two-thirds annual Earnings for 8 months; and
   3.) one-third annual Earnings for 12 months.

Remuneration you receive for research grants, publications, fellowships or employment directly related to your sabbatical leave of absence does not reduce the Earnings paid to you by the Employer. You may not use a sabbatical leave of absence to hold a faculty position at another institution, unless the position is directly connected to your proposed sabbatical research project and does not include earnings for teaching from that institution.

The Employer will continue to contribute to your retirement plan an amount proportional to Earnings paid to you by the Employer during the sabbatical leave of absence. Benefits you normally receive from the Employer will continue while you are on a sabbatical leave of absence.
SHORT TERM DISABILITY BENEFITS

We will pay the Proceeds available under this Short Term Disability Benefits section to you when we receive Proof of your Total or Partial Disability.

A. WHEN BENEFITS BECOME PAYABLE

Benefits will be payable upon completion of the Benefit Waiting Period when we receive Proof that:

1. you became Totally or Partially Disabled:
   a. while insured under the Policy; and
   b. from a cause not excluded under the Policy; and

2. you have been seen and treated by a Physician for the disabling condition; and

3. the Physician has certified the period of disability.

The Benefit Waiting Period is shown in the Coverage Outline.

B. BENEFIT AMOUNT

The weekly benefit for Total Disability is shown in the Coverage Outline. The formula for calculating the weekly benefit for Partial Disability is shown under Item G. PARTIAL DISABILITY BENEFITS. The Maximum Benefit Period for which STD benefits are payable is shown in the Coverage Outline.

If benefits are due for less than a full week of disability, we will divide the weekly benefit by seven days and multiply that amount by the number of days of disability.

C. DEDUCTIBLE SOURCES OF INCOME

The Short Term Disability Proceeds will be reduced by the amount of any benefit for loss of income from the following sources which is provided as a result of the period of disability for which benefits are being claimed under the Policy:

1. any state disability program from which benefits are received or for which you are eligible to receive;

2. any Federal Social Security Benefits you, your spouse, and/or your children receive or are eligible to receive because of your disability or retirement;

3. any Vacation, Sick Leave or Salary Continuation paid by the Employer which, when added to the Short Term Disability Benefit and/or any Partial Disability earnings, exceeds 100% of your Predisability Earnings;

4. any governmental law or program including unemployment;

5. any portion of a settlement or judgment, minus the associated costs of a lawsuit, that represents or compensates for loss of earnings; and

6. any disability income benefits for which the insured is eligible to receive under any other group insurance plan of the employer.
If a lump sum payment is made for any of Items 1. through 6. above, we will pro-rate the lump sum:

1. over the period of time it would have been paid if not paid in a lump sum; or

2. if the period of time cannot be determined, over a period of 60 months.

With the exception of unemployment, we will only subtract deductible sources of income which are payable as a result of the same disability. Deductible sources of income that are paid to you during the Benefit Waiting Period will not affect your weekly disability payment from us.

D. SUBSEQUENT PERIODS OF DISABILITY

Any subsequent disability will be considered a new period of disability when:

1. for the same cause(s) of disability, you return to active full time work with reasonable continuity at your own occupation for a continuous period of 14 or more calendar days; or

2. for different and unrelated causes of disability, you return to active full time work at your own occupation for at least one day.

E. REASONABLE ACCOMMODATION EXPENSE BENEFIT

We may pay a Reasonable Accommodation Expense Benefit to your employer if you return to work in any occupation, excluding self-employment, as a result of a reasonable accommodation your employer has made for you. The benefit will be payable in an amount agreed to by us in writing; not to exceed the actual cost incurred.

F. VOCATIONAL REHABILITATION PLAN BENEFIT

During a period of disability you may be eligible to participate in a vocational rehabilitation plan. We will review your disability claim to determine if you are eligible to participate in these services. If we determine that you are qualified to participate in a rehabilitation plan, we will provide you with a written plan to be agreed upon by you. We may pay for all or some of the expenses incurred as part of the rehabilitation plan.

The Vocational Rehabilitation Plan Benefit may include the following:

1. training and education;

2. coordination with your employer to assist you to return to work;

3. job placement assistance;

4. job related assistance, such as workplace modifications or adaptive equipment; and

5. family care expense assistance.
G. PARTIAL DISABILITY BENEFITS

We will pay a Partial Disability Benefit if we receive Proof that you are Partially Disabled due to Illness or Accidental Bodily Injury; subject to the conditions listed in Item A. WHEN BENEFITS BECOME PAYABLE; except that Total Disability is not required. The Benefit Waiting Period may be met with days of Total Disability, Partial Disability, or both.

The Partial Disability Benefit is calculated as follows:

1. determine the benefit for Total Disability; then

2. subtract 50% of the Partial Disability earnings from the amount in 1. above.

The result is your Partial Disability Benefit; except that your benefit will never be less than the minimum weekly benefit shown in the Coverage Outline.

If you are earning less than 20% of your Predisability Earnings, a Total Disability Benefit will be paid.

Receipt of Partial Disability Benefits will not extend the Maximum Benefit Period shown in the Coverage Outline.
H. WHEN BENEFITS END

Short Term Disability Benefits end on the **earliest** of the following dates:

1. the end of the Maximum Benefit Period;
2. the date the Physician releases you to return to active full time work at your Own Occupation;
3. the date you begin active full time work at an occupation other than your own;
4. the date you refuse to accept a job position with the Employer:
   a. within the same general location;
   b. which takes into account the material and substantial duties which you are able to perform;
   c. which considers your prior education, training or experience; and
   d. with a rate of pay greater than 80% of your Predisability Earnings;
5. the date your Earnings exceed 85% of your Predisability Earnings;
6. the date benefits become payable under the Employer's Group Long Term Disability Plan;
7. the date you die;
8. the date you fail to provide the required Proof of continuing disability;
9. the date you refuse to undergo a medical exam at our request or cooperate with an examiner;
10. the date you become self-employed and are earning at least 60% of your Predisability Earnings;
11. the date you no longer meet the definition of Total or Partial Disability as defined in this policy; or
12. the 45th day after we request additional proof of loss from you, if not provided.

I. THREE WEEK SURVIVOR BENEFIT

We will pay a lump sum benefit to your Eligible Survivor when we receive Proof that you died while receiving a weekly benefit.

The lump sum benefit will be an amount equal to three times your gross weekly benefit and will be paid to your Eligible Survivor. If you do not have an Eligible Survivor, payment will be made to your estate, unless there is none. In this case, no payment will be made.
J. EXCLUSIONS

Benefits are not payable for disability that results from:

1. any injury or illness incurred in the course of any employment for wage or profit;
2. any injury or illness for which you are or were entitled to benefits under any Workers' Compensation or occupational disease law;
3. any suicide attempt or any intentionally self-inflicted injury;
4. committing or attempting to commit an assault or felony;
5. participation in a war, declared or undeclared, or any act of war;
6. elective sterilization, except complications of an elective sterilization;

In addition, no benefits will be paid for any period of disability:

1. during which you are not under the Regular Care of a Physician;
2. during which you have received 100% of your Predisability Earnings under your Employer's Sick Leave plan, except that the minimum weekly benefit shown in the coverage outline will be payable;
3. during which you are incarcerated in a corrections facility; or
4. during which you are receiving; or are eligible to receive Workers' Compensation benefits, regardless of the cause of the disability; or for a disability that would be covered by Workers’ Compensation if you had filed a claim.

CLAIMS

This section explains some of the terms and conditions relating to payment of claims.

A. CLAIM FORMS

We will furnish the claim forms for filing Proof of Loss within 15 days after they are requested. If we do not do so, the claimant may comply with the Proof of Loss requirements of the Policy by submitting:

1. written Proof showing the occurrence, nature and extent of the loss for which claim is made;
2. the Proof within the time fixed in Item B. PROOF OF LOSS.

B. PROOF OF LOSS

1. Written Proof of Loss must be furnished to us at our Home Office within 90 days after the date of the loss.
2. Failure to furnish Proof will not invalidate nor reduce any claim if it is not reasonably possible to give Proof within 90 days, provided the Proof is furnished as soon as reasonably possible.
3. In no event, except in the absence of legal capacity of the claimant, may Proof be given later than one year from the time Proof is otherwise required.
4. Proof of continuing disability must be furnished within 90 days of the date such Proof is requested.

C. PHYSICAL EXAM

We have the right and opportunity to have a person whose injury or illness is the basis of a claim examined by a Physician of our choice at our expense. This right may be used as often as reasonably required, while the claim is pending.

D. INCONTESTABILITY

Any statement by you to obtain coverage under the Policy will be a representation and not a warranty. No misrepresentation will be used to reduce or deny a claim or to deny the validity of coverage unless:

1. coverage would not have been approved except for the misrepresentation;
2. the misrepresentation is contained in a written instrument signed by you; and
3. a copy of the written instrument containing the misrepresentation has been given to you.

After coverage has been in effect for two years during the lifetime of the person, no misrepresentation will be used to reduce or deny a claim or to deny the validity of coverage.

The validity of the Policy will not be contested after it has been in force for two years, except for nonpayment of premiums.

E. PAYMENT OF CLAIMS

We will pay the Proceeds for insured losses as soon as we receive satisfactory Proof of Loss. Short Term Disability Benefits will be paid at the end of each week you qualify for benefits. Any balance remaining unpaid upon the termination of the period of liability will be paid as soon as we receive satisfactory Proof of Loss. Short Term Disability Benefits remaining unpaid at your death will be paid to your estate.
F. REVIEW PROCEDURE

A claimant has the right to a review of any denial by us of all or any part of a claim. To obtain a review for disability insurance claims, a written request for review should be sent to us at our Home Office within 180 days after the claimant receives notice of denial. No special form is required.

The claimant may submit written comments and provide additional documentation in support of the claim, and may review any non-privileged information relating to the request for review.

We will review the claim promptly after receiving the request. For disability insurance claims, we will send the claimant written notice of our decision within 45 days after the request for review is received; or within 90 days if special circumstances require an extension. The notice will include the reasons for the decision and will refer to the specific provisions of the Policy on which the decision is based.

Another person may be authorized to act for the claimant under this review procedure.

G. OVERPAID CLAIMS

We have the right to recover any overpayments due to:

1. fraud;
2. any error made in processing a claim; or
3. deductible sources of income (if any) received by you.

If benefits have been overpaid on any claim, it will be required that reimbursement be made to LifeMap Assurance Company; or we have the right to reduce future benefits until such reimbursement is received. In the event of your death, we also have the right to recover such overpayments from your estate.

H. LEGAL ACTIONS

A claimant or the claimant's authorized representative may not start any legal action:

1. until 60 days after Proof of Loss has been given; or
2. more than three years after the time Proof of Loss is required to be given.

I. INSURANCE FRAUD

Any person who knowingly and with intent to defraud any insurance company; or other person files an application for insurance or statement of claim containing any materially false information or conceals, for the purpose of misleading, information concerning any fact material thereto may be subject to prosecution for insurance fraud.

We may terminate your coverage if you have filed a fraudulent claim or statement with us. We may terminate the group policy if the Policyholder or his administrator has filed or assisted with the filing of a fraudulent claim with us.

NOTE: A refund will not be made for a period more than 12 months before the date we are advised of the error.

B. CLERICAL ERROR OR OMISSION

Clerical error or omission will not:

1. cause an ineligible employee to become insured;
2. invalidate insurance otherwise validly in force; or
3. continue insurance validly terminated.

C. POLICY CHANGES

The Policy may be changed in whole or in part. No change will be valid unless approved by one of our officers. The approval must be in writing and endorsed on or attached to the Policy. No other person, including an insurance producer, may change the Policy or waive any part of it.

In addition, termination of the group insurance contract entered into between the Plan Sponsor and Insurance Company will constitute termination of the Plan, unless the Plan Sponsor exercises its sole discretion to obtain a substitute contract of insurance.

Benefits hereunder are provided solely pursuant to an insurance contract between the Plan Sponsor and the Insurance Company. If the terms of this summary document conflict with the terms of the insurance contract, the terms of the insurance contract will control, unless superseded by applicable law.
STATEMENT OF ERISA RIGHTS

As a participant in the Plan, you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 as amended (“ERISA”). ERISA provides that all plan participants shall be entitled to:

- Examine, without charge, at the Plan Administrator's principal office and at other specified locations, such as worksites, all documents governing the Plan, including insurance contracts, and a copy of the latest annual report (Form 5500 Series), if any, filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.

- Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the Plan, including insurance contracts and copies of the latest annual report (Form 5500 Series) and updated summary plan description (SPD). The Plan Administrator may make a reasonable charge for the copies.

- Receive a summary of the Plan's annual Form 5500, if any is required by ERISA to be prepared, in which case the Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

In addition to creating rights for Plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of you and other Plan participants and beneficiaries. No one, including your employer or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a Plan benefit or exercising your rights under ERISA.

If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules. Under ERISA, there are steps that you can take to enforce the above rights. For instance, if you request a copy of Plan documents or the latest annual report (Form 5500), if any, from the Plan and do not receive them within 30 days, you may file suit in a federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to $110 per day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored in whole or in part, and if you have exhausted the claims procedures available to you under the Plan, you may file suit in a state or federal court.

If it should happen that Plan fiduciaries misuse the Plan’s money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

If you have any questions about your Plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor (listed in your telephone directory) or contact the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.
CLAIM REVIEW PROCEDURES

The Insurance Company is responsible for evaluating all benefit claims under the Plan. The Insurance Company will decide your claim in accordance with its reasonable claims procedures, as required by ERISA.

See the attached Certificate of Coverage issued by LifeMap Assurance Company for information about how to file a claim and for details regarding the Insurance Company’s claims procedures.

LIFE INSURANCE

The Plan will make every effort to make a determination on life and accidental death claims within 90 days of receipt of the claim.

If the Plan is not able to make a decision on the claim within 90 days of receipt of the claim for reasons beyond the control of the Plan, the decision may be extended for as many as 90 additional days. If this is the case, written notice will be provided to the claimant prior to the end of the first 90 days that details the specific reason(s) for the delay. The notice will identify the additional information or documents needed to resolve the claim.

The maximum time the Plan will take to make a decision on the claim will be 180 days.

DISABILITY INSURANCE

The Plan will make every effort to make a determination on short term disability, long term disability, and extension of life insurance during total disability (waiver of premium) claims within 45 days of receipt of the claim.

If the Plan is not able to make a decision on the claim within 45 days of receipt of the claim for reasons beyond the control of the Plan, the decision may be extended for as many as 30 additional days. If this is the case, written notice will be provided to the claimant prior to the end of the first 45 days that details the specific reason(s) for the delay. The notice will identify the additional information or documents needed to resolve the claim. The claimant will be allowed at least 45 days to provide any requested information. The time it takes for the claimant to provide this additional information will not count toward the extension period time limit.

A second 30 day extension may occur if the claim still cannot be resolved for reasons beyond the control of the Plan. Again, the claimant will be provided with a written extension notice prior to the end of the first 30 day extension that details the specific reason(s) for the delay. The notice will identify the additional information or documents needed to resolve the claim. The claimant will be allowed at least 45 days to provide any requested information. The time it takes for the claimant to provide this additional information will not count toward the extension period time limit.

The maximum time the Plan will take to make a decision on the claim, not including the time it takes for the claimant to provide any additional information or documents that were requested, will be 105 days.
CLAIM APPEAL PROCEDURES

LIFE INSURANCE

If a life or accidental death claim is denied, the Plan will provide the claimant with a letter stating the specific reason(s) for the adverse determination. The claimant will also be provided with a description of any additional information or material necessary to perfect the claim and an explanation as to why such material is necessary.

The claimant will have 60 days following receipt of an adverse benefit determination to file an appeal. Another person may be authorized to act for the claimant under this appeal procedure.

The appeal will be decided within 60 days after receipt of the appeal. The 60 day time period will start when the appeal is filed without regard to whether all of the information necessary to decide the appeal accompanies the filing.

If, for reasons beyond the control of the Plan, the appeal cannot be decided within 60 days, the appeal decision may be extended for as many as 60 additional days. The maximum time to decide the appeal will be 120 days.

DISABILITY INSURANCE

If a short term disability, long term disability, or extension of life insurance during total disability (waiver of premium) claim is denied, the Plan will provide the claimant with a letter stating the specific reason(s) for the adverse determination. The claimant will also be provided with a description of any additional information or material necessary to perfect the claim and an explanation as to why such material is necessary.

The claimant will have 180 days following receipt of an adverse benefit determination to file an appeal. Another person may be authorized to act for the claimant under this appeal procedure.

The appeal will be decided within 45 days after receipt of the appeal. The 45 day time period will start when the appeal is filed without regard to whether all of the information necessary to decide the appeal accompanies the filing.

If, for reasons beyond the control of the Plan, the appeal cannot be decided within 45 days, the appeal decision may be extended for as many as 45 additional days.

The maximum time to decide the appeal will be 90 days.
